

MOHAMMAD MUZAMMIL

Full Stack Developer | MERN STACK

+91-8446411038 | muzammil844641@gmail.com | [linkedin.com/in/muzammil1244](https://www.linkedin.com/in/muzammil1244) | Maharashtra Sambhajinagar (Aurangabad)

PROFESSIONAL SUMMARY

Full Stack Developer specializing in JavaScript, React.js, Node.js, and the MERN stack. Skilled in building scalable applications, implementing secure REST APIs, optimizing performance, and deploying production systems using Docker and CI/CD. Strong in debugging, architecture basics, and writing clean, maintainable code.

SKILLS

- Frontend : JavaScript, React.js, HTML, Tailwind CSS, React Native, Redux Toolkit
- Backend : Node.js, Express.js, JWT, Postman
- Database: MongoDB, MySQL
- Other : Git, GitHub, VS Code, Docker, CI/CD

PROJECTS

1. Humanity for Change

- Live Users: <https://unity-for-change-client.onrender.com/>
- Live Admin Panel: https://unity-for-change-client.onrender.com/admin_panel

Built a complete social platform with real-time chat, secure authentication, post system, follow/unfollow, and an admin panel. Improved real-time communication using Socket.io with low-latency events.

Tech: MERN Stack, Socket.io, JWT, Tailwind CSS

2. Skill Bridge

- Live: <https://skillbridge-inky.vercel.app> | Employer: [Video](#) | Freelancer: [Video](#)

A referral-based job platform featuring role-based dashboards, authentication, job posting, messaging, and responsive UI. Integrated real-time communication and optimized page loading.

Tech: MERN Stack, Tailwind CSS

3. Job Portal

- Live Link: <https://lnkd.in/dckZf4BQ> | [Video](#)

Developed secure backend APIs for job posting, login, user roles, and application management. Implemented JWT authentication, protected routes, and database operations with MongoDB.

Tech: Node.js, Express.js, MongoDB, JWT

4. Smart Buy E-Commerce

- GitHub Repository: <https://lnkd.in/d89BQQJD> | [Video](#)

Created a mobile e-commerce application with Firebase login, product listing, search functionality, and cart management. Designed a clean UI with optimized rendering.

Education

Bachelor of Computer Applications (BCA)

Maulana Azad College of Arts, Science & Commerce,

Dr. Babasaheb Ambedkar Marathwada University (BAMU), Currently in Third Year
